

The Charlton Heights Building Council met on Wednesday, April 6, from 3:20 p.m. to 4:20 p.m. in the Library Media Center. The minutes of the meeting are below:

1. The healthy choice theme for April is to have each class read a book about characters that make healthy choices. The teacher will then have a discussion with the class about the healthy choices made in the book, and the class can decorate their door with a visual representation of the healthy choice for the Walk About.
2. Each grade level shared progress made towards language arts goals for the school year. Each grade level has seen consistent student improvement, and we as a school community are excited to see the yearly progress made towards our goals in June.

The next Building Council meeting will be on May 25. Agenda items will be to review the healthy choice May and June activities, to review the summer challenge, and to plan for summer curriculum days.
