

James Dunham Citizenship Award Recipients

In 1987, James Dunham retired from Charlton Heights as Principal. In his honor, a citizenship award was created and was given to five students in the school. In 1988, it was decided to honor fifth grade students at the Holiday Concert. The last award was given in 1990 as it was determined to be extremely difficult to choose award winners from so many worthy candidates.

1987
