

The Board of Education may authorize a summer school to provide one or more of the following opportunities for students:

1. To repeat subjects failed.
2. To raise grades.
3. To remedy academic deficiencies.
4. To provide enrichment.
5. To determine readiness for learning.

Qualified administrators will serve as summer school principal and will be responsible for the daily operation of the summer school. The principal will report to the Assistant Superintendent for Instruction.
