Visitors to the schools of the District will be governed by the following rules:

1. Each school principal shall establish and maintain a safety plan outlining the process for registration and authorization for visits to his or her school. Such plans shall be submitted to the Superintendent for approval, and thereafter be made available in the principal’s office for anyone interested in visiting the school.

2. The principal of the school or the principal’s designee must be contacted by the person or group wishing to visit, and prior approval must be obtained for the visit.

3. Parents or guardians wishing to speak with a specific teacher concerning the progress of a child must make an appointment with the teacher.

4. All visitors must report to the main office, sign in, and be issued a visitor’s permit, which must be displayed at all times. The permit must be returned to the main office, and the visitor must sign out at the conclusion of the visit.

5. Registration shall not be required for school functions open to the public, whether or not admission is to be charged.

6. Parents are encouraged to visit guidance counselors, school nurses, school psychologists and other support personnel, by appointment, in order to discuss any problems or concerns the parent may have regarding the student, whether school related or not.

7. Any visitor wishing to inspect school records or interview students on school premises must comply with all applicable Board rules, regulations and policy. In questionable cases, the visitor shall be directed to the Superintendent’s office to obtain written permission for such a visit.

8. The principal is authorized to take any action necessary to secure the safety of students and school personnel. Unauthorized visitors shall be requested to leave school premises immediately, and will be subject to arrest and prosecution for trespassing if they refuse.
