### **Art Supply List**

In order to safely enjoy art class this year, students will need some of their own supplies. If anything in italics is already on your teacher's supply list, it is not necessary to purchase it again. For example, it is fine to have one set of scissors to be used for artwork and all other schoolwork. It will be necessary for students to have a folder just for art projects and a large ziploc bag to store art supplies. Please feel free to contact me with any concerns at [akaris@bhbl.org](mailto:akaris@bhbl.org). I am looking forward to making art with your child this year!
