## **ARTICLE V LEAVES OF NECESSITY**

### **Section 1 Leave Entitlement**

A. A total of twenty (20) days leave per year will be granted on July 1 to supervisory personnel for sick leave, illness in the family, and death in the family, with unlimited accumulation. No more than ten (10) days leave for illness in the family can be used in any single school year.

B. In any one year a maximum of three (3) personal days in addition to those described in section 1A may be used for personal business which cannot be transacted during times other than the employee's work hours. For example, personal days cannot be used to extend a vacation, for shopping, or for medical and dental appointments except in cases of emergency. A supervisor wishing to use a personal day either the day prior to, or following, a regular scheduled vacation or holiday must have the prior approval of the Assistant Superintendent for Support Services. Absence from one's school assignment to work in another compensated situation is not an acceptable use of personal business days.

If an employee does not use personal leave during the school year, the unused personal leave shall be added to the employee's sick leave accumulation in subsequent years.

### **Section 2 Definition of Family**

The following will be considered family:

Husband, wife, children, step children and other related members of the employee's immediate household, father, mother, sister, brother, sister-in-law, brother-in-law, grandfather, grandmother, grandchild, father-in-law, mother-in-law, grandfather-in-law, grandmother-in-law, aunt, uncle, niece, nephew, step-father, step-mother, son-in-law, daughter-in-law, and a person with whom the employee lived for a period of time as part of household and to whom the employee looked as a parent-in-fact.

### **Section 3 Special Family Circumstances**

In situations where death or critical illness in the family of an individual occurs more than once during a single year, the Assistant Superintendent may grant an additional four days to a supervisor, in addition to the specified 10 days in Section 1.

#### **Section 4      Workers Compensation**

The Board of Education will pay the difference between workers compensation and the supervisor's salary for a time period up to 15 months in situations where the Workers Compensation Board has established the validity of the supervisor's claim. In any absentee situation under consideration by the Workers Compensation Board, the supervisor's sick leave bank will be charged pending determination by the Workers Compensation Board. If the supervisor's disability is approved for compensation, sick leave days will be restored according to the following formula:

Total workers compensation benefits divided by average daily pay rate equals sick leave days to be reimbursed.

A supervisor approved for a workers compensation award will be permitted to participate in the health, dental, and prescription drug insurance program on the contract shared basis with the district (80/20 family, 90/10 individual) up to a maximum of 15 months from the beginning date of the award. If an individual continues on workers compensation beyond fifteen (15) months, the health insurance premium will be shared 50/50 during the remaining time of the award.

#### **Section 5      Leaves for Legal Business**

Temporary leaves with full pay will be granted to supervisors when attendance is required at PERB hearings, court hearings, legislative hearings and other non-compensated legal processes providing such requirement is not the result of violation of Section 210 of Civil Service Law. Should a member of the bargaining unit be summoned for jury duty, the member will provide a copy of the notice to the Human Resources Office and the school district will continue to pay the staff member's daily salary.

#### **Section 6      Family Care Leave**

A. A leave of absence for family care will be granted up to a total of two years maximum time. The Board of Education may consider a subsequent request made by a supervisor to return to employment prior to the originally approved termination date, provided there is a vacancy for which the supervisor is qualified.

B. Request for such leave should be made at least 30 days before the date that the requested leave is to begin. For probationary employees, the period of leave shall be an interruption of the probationary period.

#### **Section 7      Notice of Return from Leave**

Supervisors scheduled to return from leave at the beginning of the school year must notify the Personnel Office, in writing, by April 1 preceding the July return date concerning their intention to return. Supervisors scheduled to return at the beginning of the second semester, if return during the school year has been approved, must notify the Personnel Office, in writing, by November 15 preceding the return date concerning their intention to return.

### **Section 8      Leaves of Absence**

Unpaid leave for up to two (2) years may be granted in compliance with Board of Education policy. A written request by the supervisor is required at least four (4) months prior to the beginning of the leave when possible.

### **Section 9      Sick Leave Bank**

1. The purpose of the sick leave bank is to provide sick leave for those participating supervisors who have a prolonged, catastrophic or long term illness and/or injury and who have exhausted all their available personal sick leave. This benefit would not be available in a workers compensation injury matter. The Business Administrator and Construction Manager may also participate in this sick leave bank program.
2. Each supervisor covered by this agreement who chooses to participate in the sick leave bank shall contribute five (5) sick leave days to the bank within the first fifteen (15) days of the effective date of the supervisor's appointment. Such days become permanently part of the sick leave bank and cannot be withdrawn.
3. New supervisory employees choosing to participate shall contribute five (5) days within fifteen (15) days of the effective date of employment.
4. Supervisors who have not participated in the sick leave bank, and who subsequently choose to participate, may join within the first fifteen (15) school days of July of any school year. However, such supervisors must match the number of days they would have already contributed to the sick leave bank during the time of their employment in the district since the establishment of the sick bank.
5. A Sick Leave Bank Committee, composed of the President of the Operations Management Organization, or his/her designee, and the Superintendent of Schools, or his/her designee, shall administer the sick leave bank program. The committee may grant up to thirty (30) sick leave days per application. All decisions to accept or reject an application shall be non-grievable.

6. Future contributions will be required when the number of days in the bank is diminished to a number that equals three (3) times the number of administrators included in the sick bank. At that time, the Sick Leave Bank Committee will determine the rate of additional contributions, not to exceed five (5) days per participant per year.
7. Eligibility to draw from the sick leave bank shall be limited to those participants who:
  - a. Have exhausted all other paid leave entitlement.
  - b. Provide medical evidence of prolonged, catastrophic, or long term illness or injury acceptable to the Sick Leave Bank Committee.
  - c. Make application to the Sick Leave Bank Committee on the appropriate form.
8. If agreement on a grant is not achieved by the committee of two, or an applicant is dissatisfied with the decision of the Sick Leave Bank Committee, an appeal can be made by the applicant to a review board composed of two members appointed by the Superintendent of Schools, two members appointed by the Operations Management Organization President, and one additional member acceptable to both the Superintendent and the Operations Management Organization President. The decision of the review board shall be final, binding, and non-grievable.
9. The maximum number of days available to each participant who meets the criteria in Section 7 is limited to 225 days.
10. The district will contribute five (5) sick leave days for each supervisor who joins the sick leave bank. The five (5) days will be added to the bank at the time of the supervisor's initial contribution.

## **ARTICLE VI HEALTH INSURANCE**

An insurance committee composed of representatives from each bargaining unit proportional to the number of individuals represented by each bargaining unit, and chaired by the Assistant Superintendent for Support Services, will act in an advisory capacity to the Superintendent and Board of Education on insurance related matters. The school district will provide the following health insurance coverage during the life of this agreement:

The school district will provide the following health insurance coverage: the CDPHP EPO (UBI: EA9Z17), the Blue Shield PPO and the Blue Shield 907 plan. The school district will provide the following dental coverage: the Delta Dental plan. Benefit levels within each of these plans shall be maintained at the July 1, 2018 level unless otherwise negotiated by the parties.

The School District's contribution toward a member's premium for both health and dental coverage will be:

- Single Membership - 90%
- Two-Person Membership - 80%
- Family Membership - 80%
- Retiree Membership - 50%

Effective July 1, 2018, the district's contribution towards the Blue Shield 907 plan shall be equivalent to its contribution to the Blue Shield 815 plan. In the event that an employee wishes to maintain coverage with the Blue Shield 907 plan, the employee will be responsible for the full difference between the premium of the Blue Shield 907 plan and the district's contribution to the Blue Shield 815 plan.

Returned premium, that is, the amount returned to the district by the carrier in periods of low losses, if any, will be reported to the Insurance Committee.

A member of the organization that is eligible for Health Insurance but declines coverage and provides proof of insurance through a spouse or other outside carrier will be entitled to a \$2,000 Health Insurance Buyout payable at the conclusion of the year that health insurance coverage was declined.

For employees hired into the unit on or after July 1, 2022, the School District's contribution toward a member's premium for both hospitalization, and dental coverage will be:

|---------------------|---|-----|
| Single membership   | = | 75% |
| 2-Person Membership | = | 75% |
| Family membership   | = | 75% |
| Retired membership  | = | 50% |

2. "Policy" or "administrative regulation" means those Board-adopted policies or regulations that appear in the Board Policy Book.
3. "Days" shall mean school days as designated on the current school calendar.

## **C. Procedure:**

### **Level 1**

A grievance will first be discussed with the Assistant Superintendent for Support Services with the objective of resolving the matter informally, at which time the aggrieved person may:

1. Discuss the grievance personally, or
2. Request the organization representative to accompany her/him, or,
3. Request the organization representative to act in her/his behalf.

If the grievance is not resolved informally, the grievant shall present a written statement of grievance and the relief desired to the Assistant Superintendent for Support Services. Failure to present a written statement of grievance within thirty (30) days after the occurrence of the claimed grievable event shall result in a waiver of all rights involved. Within ten (10) days of the presentation day of the written statement of grievance, the Assistant Superintendent for Support Services shall make a decision and communicate the decision and reasons therefore in writing to the employee presenting the grievance, to the organization, and to the Superintendent of Schools.

### **Level 2**

If the aggrieved employee is not satisfied with the decision arrived at under Level 1, he/she may within ten (10) days file with the Superintendent of Schools an appeal in writing on forms

supplied by the district requesting the Superintendent to review the matter. Such appeal shall include, among other things, a summary of the grievance as submitted at Level 1, a specification of what section of this agreement, or policy, or regulation has been violated, a statement of why the determination of Level 1 was unsatisfactory, and the relief that the grieving party desires. The Superintendent or his/her designee shall meet with the employee and his/her representative (if the employee desires a representative) at a reasonable time and place designated by the Superintendent within six (6) days after the presentation of the appropriate appeal documents to the Assistant Superintendent for Instruction's office. Such meeting shall be an attempt to resolve the grievance. Either party may record the proceedings for their own use. Within six (6) days after such a meeting or meetings, the Superintendent or his/her designee shall make a decision in writing, setting forth his/her reasons for such conclusion. A copy of such decision shall be given to the employee, the organization and the President of the Board of Education. Only grievances which involve the interpretation of, or application of, or compliance with, specific provisions of this agreement may be pursued beyond Level 2 of this grievance procedure.

### Level 3

If the aggrieved employee is not satisfied with the disposition of his/her grievance at Level 2, and the alleged grievance claims a violation, misinterpretation or inequitable application of the terms of this agreement, he/she may, within twenty (20) days, file with the Assistant Superintendent for Support Services an appeal in writing, on forms supplied by the district, requesting his/her grievance be submitted to the Board of Education. Such request shall include, among other things, specification of what section of this agreement has been violated, a statement of why the determination on Level 2 was unsatisfactory, and the relief that the grieving party desires. The Superintendent of Schools shall within ten (10) days after receipt of the appeal arrange for a hearing of the grievance by the members of the Board of Education. The President of the Board of Education, or a designee, will act as the hearing officer. The members of the Board shall meet with the employee, any Organization representative the employee desires, the Superintendent of Schools, and any other parties directly involved in the grievance in question. All hearings held shall be in closed sessions. Such hearing shall be an attempt to resolve the grievance. Within ten (10) days after such a hearing, the President of the Board of Education, or a designee, shall make a decision in writing regarding the grievance and set forth the reason for such a conclusion. A copy of such decision shall be given to the employee, the organization, and the Superintendent of Schools. The decision shall be final and binding on all the parties.
