

Achieve 23-24 Mrs. Smith

Welcome to **Mrs. Smith's** Class! We are so excited to start the 2023-2024 school year together. So many opportunities for learning are in front of us! Please be sure that you are working on those math facts and reading during these summer months!

Here is a small list of supplies for Room#34.

- *Change of clothes (labeled and kept in bag)*
- *Headphones - no earbuds please*
- *Hand held sharpener*
- *1 large yellow highlighter*
- *1 pack of wipes (sanitizing or baby wipes)*
- *Daily - snack and water bottle*

Note: Your grade level teacher will send a letter for what your child will need in that classroom. We met to reduce what we are asking families to provide. Please contact csmith@bhbl.org or eopie@bhbl.org if you need support in getting supplies for your child.
