

Hi families,

Below is the supplies list for Achieve K-2 for the 2025-26 school year. I am so excited to work with you this year! 😊 Please note: you do NOT need to purchase both this school supply list and the list provided by your child's general education teacher. If your child needs something in their general education class, I will discuss it with you if or when it comes up! BHBL has covered the cost of many of the required supplies to ease the burden for families, if you need support in getting supplies for your child, please contact LGotham@bhbl.org or EOpie@bhbl.org
