

Dear First Grade Student,

Welcome to 1st Grade! We are looking forward to a fun year as we all get to know each other, meet new friends, and learn many new things together. Please note that the district will be providing many supply items for the students, including crayons, markers, pencils, and gluesticks.

On the first day of school, you will need the following items:

___ *a labeled pair of child scissors

___ *2 three ring binders (one inch) with clear plastic covers
** (1 blue and 1 white) **

___ *a pencil box to keep school supplies in

___ *a clipboard (design of your choice)

___ *a 2 pocket folder (design of your choice)

___ *2 containers of Play-Doh (any colors)

___ *a sturdy pair of headphones for computer use (in a labeled Ziploc bag)

___ *a smock or old t-shirt for art (in a labeled Ziploc bag)

___ *an extra outfit to keep in the classroom (in a labeled Ziploc bag)

___ *a lockable water bottle to keep at your child's desk (no twist tops please)

If you do not have some of these supplies at home already, it may be helpful to have a glue stick, several pencils, a pair of scissors, and crayons at home in order to more easily complete projects and homework assignments. Thank you! We are looking forward to starting a new school year with you! In the meantime, enjoy your summer, read lots of books, and have tons of fun!

See you soon!
